

SIR's 102 Annual July Carson City Golf Tournament

The annual July Carson City golf trip was another successful SIR 102 event. The weather couldn't have been better for mid-July in Nevada and some guys, especially the "A" flight played unbelievable golf.

- **Mike Moore** and **Gunner Haug** each had net scores of 60 in the medal round at Empire Ranch and it required us to resort to a fourth tiebreaker hole before Mike Moore was declared the winner of the coveted "**Blue Jacket**".
- **Bob Friend, Dave Allen and Ron Jeffers** won the B, C and D flights with net scores for 64, 65 and 62. Wow! What a day for golfers
- The team of **Larry Lacert, Archie Noriega, Jack Cook and Bob Baker** won the scramble with a gross score of 64.

Everyone had a great time, the food was great, the awards dinner went extremely well. and of course there was some gambling at the Nugget which even had 1 cent machines. However, no one volunteered how much they won in case the IRS reads this. **In Summary**, 1st Place per flight=\$45, 1st Place Scramble =\$45, Hanging out with fellow SIRs=Priceless
