Our annual event for Carson City finished with a lot more golf stories to add to the ones we've already told. **Gary Bohn** was this year's "Best Net Player" winning the almost world famous "Blue Jacket" with a low net of 61. There were two players with a net 62 which is really a reflection of the great weather we enjoyed for both days of the tournament. As for me, I had another great time playing with some new and some old-time members of SIRs 102. I think I set the record for our club when I got third closest to the pin (white coarse) with a distance of 68'6". Has anyone ever won with a distance that long before? Special Thanks go to **Don Whalen, Gary Bohn and Don Neudeck** (and others) for their work in putting on this annual golf tournament. I left Carson City with a sense that everyone was a winner and did bring home some great memories. I'm already looking forward to Carson City next year so I can tell some new duck stories...

Rules of Golf (continued)

- Hazards attract. Fairways repel.
- Counting on your opponent to inform you when he breaks a rule is like expecting him to make fun of his own haircut.

Famous Golf Quotes: I was three over. One over a house, one over a patio, and one over a swimming pool. ~ *George Brett*

2010 Board

At our August Golf Club meeting the 2010 nominating committee will be announced. While I'm sure all current Board members will be happy to continue to offer their many talents and contributions to the club, now is the time for those of you have enjoyed our weekly golf, but never served on the Board, to raise your hand and volunteer. Contact one of the nominating committee members. Voting on the final nominees will occur at the November 16th Awards Banquet.

Member Appreciation

September 22nd at Mather will be our annual Member Appreciation Day which is held to thank all the members who support the club with their regular weekly participation. The cost to all members who have played in at least 18 SIR 102 events by August 31st will be just the \$4 Tournament Fee listed on the September Sign-up sheet. Those members who have played at least 12 rounds, but less than 18, will be required to pay ½ of the per player event cost. And those members who do not meet at least the 12-round qualification will be required to pay the full per player event cost. A "Member Appreciation Status" link has been added to the club website which shows the round-count for each member (including the two rounds at Carson for all those participants). This report will be updated each week through the end of August. After that point the event pairing sheet will show the additional amount, if any, each member will owe.

SIR 102 Guest Day

It's not too early to begin thinking about playing in our October 1st Guest Day at Haggin Oaks/MacKenzie. All members are encouraged to participate **whether or not** you bring a guest. While you can bring a guest to any weekly event, we set-up special competitions for the non-members and include lunch with the cost of the event. I think if you ask any of last year's participants you find they all had a terrific time and think Haggin did a great job for us.
