

**Don Whalen, Assistant Tournament Director; (962-0820) email: Itcoldon@earthlink.net**

We had a good time at the Carson City Fun and Golf Outing. We ended up with 52 golfers and 12 non golfers. One of the largest groups in recent years. My thanks to all who participated. All of the competitions were very close. The Scramble was won by the team

of : Phil Hancock, Tom Mc Kinley, Don Whalen, and Lindy Linderschmitt. The scores ranged from 65.34 to 72.33 but the difference between the top three teams was only 1.23 strokes. The winners announced as the 2 Man Best Ball competition was in error caused by the operator of the computer and the time constraints. We have a requirement to pay the prize money as chips from the Casino at the time of the

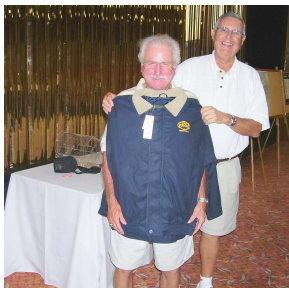

event. (Any one want to guess why?) The announced winners Max Kinsey and Speedy Sheetz tied Don Wagner and Mike Dillion with scores of 41 (this did give the operator a big

doubt) When I got home and found the operator error I was able to come up with the real winners. The winning team was George Rebholtz and Bob Lamora with a score of 54. Of course, most of the other announced placing were also wrong. To correct this mistake we will vote at the Golf Meeting

as how to handle the erroneous pay out. The competition for the coveted "Blue Jacket" was very tight. Gary Bohn with a score of 61 was the winner. Three others were within two shots of the

winning score. At the Friday night banquet, Don Wagner informed Gary of the top 10 rules that the Blue Jacket winners must abide by. Don Lewis, last year's winner, presented Gary with the new version of the Blue Jacket. After considering all the work that has to be done after the golf is finished it has been decided that next year's start time will be 7:00 AM.

I apologies for the mistakes I made and hope we can have even a bigger turn out next year, so mark your calendars for July 14-16

Don
