

MAY 17th PICNIC

We are very pleased with how well this year's picnic went. We had between 90 and 100 people attending. This is absolutely great because we had a pretty shitty day weather-wise.

Everyone had a good time and as always our bartenders Bob and Dick kept everybody in a good mood. We heard nothing but kudos for the quality of foods served. Several people phoned afterward with compliments for everyone.

Excellent job guys with this year's picnicfrom Max Kinsey early start in preparing the site to Don Braatz taking the remaining books for veterans. Everyone was able to stay dry, with the exception of John and his crew who had to cook the excellent chicken and steaks outside the covered area.

The Book exchange was, as always, a great success.

It could not have happened without a lot of help from a lot of guys, to many to name, but we would be remised if we did not recognize Bob Baker (Our go to guy) for his continued efforts in making our picnics so successful.

Thanks again to all who worked so hard to make this happen.

Your Board of Directors
