### Carson City.....Check out The Price:

**Cost of Tournament** = \$365 (\$335 for shared room)... includes all ALL prize money.

**Cost of Transportation** = \$50 gas (which could be shared)

**Cost of food** = \$15... Breakfast is covered with your Easy Bucks and Dinner is included in the price of the golf package.

(the \$15 is based on you going to Subway for their \$5 special for lunch and just drink their water.....OK, so I may be off a little on this, but you could get a foot long and split it with someone, it's still pretty cheap...

**Cost of Entertainment:** =That depends on whether you gamble or not, of course the entertainment of listening to everyone tell their golf stories and whatever is free (\$0)

**Cost of enjoying a few golf days together with old friends and some new ones =**

### PRICELESS

Join us for our annual trek to Carson City. No one can beat this price with everything that is included. If the dates work for you, sign up at our June meeting. New member? ... Just ask anyone who has been there for input and I think you will join us. Been there before ... then you know the price is right as shown above. Just contact **Don Whalen** if you need more information.

It is about time to start the 2012 Schedule. Any inputs as to the courses you would like to play or not play would be welcome. I will try to modify when we have the shotgun starts so we won't have a lot of them in the winter. Of course this may mean you get home late in the afternoon. Let me know how you feel about the shotgun starts.

The first of two overnights will be over by the time this goes to press, but the results will be announced at the June Golf Meeting. We did get the 20 golfers we wanted and hope we can get 20 for the next overnights at Sevillano on October 3 & 4. We will start taking sign-ups at the July meeting. In between these two trips we have the Carson City Golf and Fun trip for which we are taking sign-ups now. The final day for sign ups for Carson City is this June's meeting. We need a lot more people to sign up so we can get all the amenities we are use too. If you are not sure about signing-up due to unforeseen events, you will have up until July 10 to cancel and get your full refund. We have a lot of events going on so please support as many as you can. (We still need someone to make a firm commitment to be the Assistant Tournament Director. Job training needs to be done starting in July)
