At our SIR meeting in April, Gary Bohn passed out a golf questionnaire to get input from all of you on our golf schedule and tournaments. Here are the general results. We received 52 questionnaires back (about 33% of our members). The course listed as the favorite was Wild Hawk.

The course with the lowest rating was Ancil Hofman (a lot to do with how they treat us). Shotguns were a 2/1 favorite and almost everyone gave a positive comment about mixed team games. There were other comments but the bottom line was that we did receive some good input that will help Don Whalen, Marty Owens, and Gary Bohn as they plan for the 2011 season. We are having our golf meeting in May following the regular meeting to go over the results and let you know what, if any, changes are planned for the remainder of the year. Since everyone is a volunteer, none of us have to worry about paycuts or layoffs knowing that we simply will do our best to meet the general requests of our golfing buddies (that's all of you !). Join us at our golf meeting in May if you want more feedback and input on our golf activities.

Remember: Golfers who try to make everything perfect before taking the shot rarely make a perfect shot.

TIME FOR SIGN-UPS FOR THE CARSON CITY GOLF AND FUN TRIP.

The cost is the same as last year for golfers (\$325 per golfer in a shared room; \$355 for golfer in a single room), but the cost for a non golfer has been increased by \$2 to cover the SIR'S surcharge. Sign-ups will be taken at the May and June SIRS meetings, but payment may be spread over May, June, and July. The courses we will be playing are Dayton Valley (scramble format) and Empire Ranch (Individual, which will also include Blue Jacket competition, two man best ball, and skins) If I can get the course to co-operate there will also be closest to the pin on two of the par three holes. Skins will be in three or four flights depending upon the number of player sign-ups. Although this will decrease the money per skin it should make the competition more equitable. Carson City is one of the best golfing and fun values you will get, so sign-up early and get your buddies to sign up too.
