Our 2009 golf schedule was completed and approved by at SIRS Board at the executive meeting in September. Looks like **Don Whalen, Marty Owens and Gary Bohn** continued to put a lot of time into developing next years golf schedule. We will have more local courses including 10 shotguns which will allow us to commute together more often next year. It didn't take a day or a week but months to put this schedule together, so my golf hat is off to these gentlemen for all their efforts in putting the schedule together along with input from the golf club board of directors and many players who always have a lot of favorite courses. I will be out of town in October but will make it back just in time for guest day (hopefully my handicap will go up while I am away). I'm sure somehow the golf club will do fine in my absence

Rules of Golf (continued):

- When you look up and cause an awful shot, you will always look down again at exactly the moment when you ought to start watching the ball if you ever want to see it again.
- Any change works for a maximum of three holes and a minimum of not at all.

There appears to have been substantial confusion regarding the October 23rd Guest Day at Haggin Oaks. I say this from the standpoint our sign-up count was very low and over 30 of you who play regularly and signed up for other October events did not sign-up for Guest Day. You are not required to bring a guest for this event. We certainly encourage you to bring a friend, spouse, significant other, child, grandchild or anyone, but it's not required.

Because of the commitments we must make for this event I do not take unpaid stand-bys. However, I will be taking paid sign-ups at the October meeting. You may also mail me your paid sign-up as long as I receive it by end-of-day October 16th. The 16th is also the last day you may cancel and receive a refund. The fee for this event is \$49 which includes green fees (shot-gun start) and lunch after the round.

Should our count remain low, I'll be forced to cancel the lunch. All paid sign-ups will receive the lunch portion of their fee back.

We had to cancel the Carson City Golf and Fun trip because we could not get enough participants. Based on this I have deleted the 2009 October Carson City trip. I would entertain any suggestions as to another outing to replace it if anyone has a desired place. The 2009 schedule is completed. Be sure to look it over very carefully as there are some dates on other days than Thursday. This was necessary in order to get more dates on the courses closer to Sacramento. I also tried to get shotgun starts on the courses a little farther away so people could care pool. I also apologize for the late starts on the hot dates and the early starts on the cold days if it happens, but I have trouble predicting the weather a year in advance.

Reminder: Be sure to mark Saturday November 15 for the Awards Banquet at the Carmichael Elks.
